

Privacy Notice

NTT DATA Europe and Latin America Foundation (NTT DATA EMEAL Foundation) herein referred to as “NTT DATA”, “we”, “us” or “our”) recognizes the importance of personal information and ensures the protection and safeguarding users’ personal information as a fundamental principle of its business and its responsibility to society. Accordingly, NTT DATA has established the Personal Data Protection Notice (“Privacy Notice”) to inform you about collection use or transfer of your Personal Data in accordance therewith. If you have any questions regarding this notice, please contact us through information stated under this Privacy Notice.

1. Collection, Use, Provision, and Entrustment of Personal Data

For the purpose of this Privacy Notice, the following terms have the meanings as defined below.

- (a) ‘Personal Data’ means those data mentioned in this Privacy Notice.
- (b) ‘Processing’ means any operation or set of operations which is performed on Personal Data or on sets of Personal Data, for the purpose established in this Privacy Notice.
- (c) ‘User’ means any person who is registering for the Event.
 - (1) Personal data shall be collected only after informing the users of the purpose under a valid legal basis. The scope of use of the personal data collected is limited, and the data shall be handled appropriately within this scope.
 - (2) NTT DATA will process your Personal Data in order to achieve the following purposes:
 - NTT DATA will process Data subjects’ Personal Data collected from the registration form in order to manage user’s request to subscribe for the International Technology Olympics and send you electronic communications related to this Event. The legal basis of the processing is Article 6 (1) a) of GDPR, i.e. consent, combined with and where applicable also Article 8 (1) of GDPR.

We consider that for all participants regardless of their age (between 7-16 years) the processing of their personal data is lawful only if and to the extent that consent is given or authorized by the holder of parental responsibility over the participant.

In case of processing your Personal Data for purposes other than the above, NTT DATA will notify you in advance of such new purposes of use and other matters as required by applicable law.

- (3) Personal Data that we require in filling the form (name of contact person/professor parent/family/guardian, country, city, E-mail of contact person/professor parent/family/guardian) is necessary in order for NTT DATA to manage your request and pre-register you for the Event and provide you communications and materials related to it, and there may be cases where you are unable to access them if you have not provided such data.

NTT DATA will provide your Personal Data to third parties such as foundations, subsidiaries and affiliates part of the NTT DATA Group, as well as to our technology providers and partners of NTT DATA, to implement the purposes of use specified above.

In case of transferring data to a third party located in a country outside the European Economic Area (EEA), NTT DATA will ensure that adequate measures are implemented for such transfers. Thus, for transfers from the EEA to countries not considered adequate by the European Commission, we have put in place appropriate and suitable safeguards to protect your Personal Data and that transfer of your personal data is in compliance with the requirements and the obligations provided by applicable data protection laws, such as standard contractual clauses adopted by the European Commission.

- (4) NTT DATA may entrust users' personal data with authorized third parties. In all such cases, NTT DATA shall select the recipient with great care from among those parties that have established a sufficient level of protection of the personal information, and make necessary supervision or otherwise ensure, through a contract, etc. stipulating the level of protection to be observed, that the recipient manages the information properly. For the registration to International Technology Olympics, Microsoft might implement cookies in relation to their service Microsoft Forms under their privacy policy.

2. Disclosure, Correction, Discontinuance of Use, etc. of Personal Data

You may request from us access to, rectification or erasure of, restriction of processing of personal data. You may also exercise your right to data portability. You may object to the data protection authorities with jurisdiction over NTT DATA or the location of your domicile with regard to the processing of your Personal Data. You may also revoke your consent in case you have granted it for the purpose set out in this notice.

Please contact: emeal.data.protection@nttdata.com

3. Implementation of Security Measures

NTT DATA, as well as any contractor or subcontractor that supports personal data processing, implements safeguard measures and diligently works toward preventing unauthorized access to personal information, and the loss, destruction, alteration, leakage, etc. of such information. Specific rules governing the appropriate handling and use of personal information are in place, and staff are assigned to take responsibility therefore.

4. Retention Period

NTT DATA will retain your Personal Information as long as you do not revoke your consent, but in no event longer than 5 years from the date of filling out and submitting the registration form, whichever occurs earlier. Once the revocation has been exercised, which will not be retroactive unless otherwise required by law, your data may be kept blocked for the periods of limitation established by the applicable regulations. If the revocation has been exercised, we will try to, to the extent possible, apply technical measures to delete the Personal Data.

5. Continuous improvements to this Personal Data Protection Notice and In-house Rules and Regulations

NTT DATA makes continuous improvements to this Privacy Notice and in-house rules and regulations to ensure that the protection of Personal Data as determined by socially accepted norms is conducted effectively.

6. Inquiries as to Personal Data

In the event of any questions or concerns regarding the Privacy Notice or the processing of Personal Data by NTT DATA, or any requests, etc., concerning the access to, rectification or erasure of, restriction of processing of Personal Data, and the data portability, please contact us.
